P. N. C. K. GOMES

IT ADMINISTRATOR · AUTOMATION DEVELOPER · WEB DEVELOPER

An enthusiastic and adaptive young professional aspiring to build a career in the IT industry as a skilled and dependable expert. Brings technical knowledge, strong problem-solving ability, and interpersonal skills to deliver reliable results for a well-respected organization.

ACHIEVEMENTS & PROJECTS

Automation & Data Systems

- Automated payroll, invoicing, and reporting across 6 business brands using Google Apps Script and Excel VBA.
- Built a WooCommerce → Google Sheets sync pipeline, cutting third-party tool costs by 100%.
- Designed KPI dashboards in Looker Studio and built internal admin & inventory tools for daily operations.
- Managed IT systems, databases, and backups across 6 brands, with full process documentation.

Web & Digital Development

- Delivered 6+ live business websites using React, HTML, CSS, and JavaScript.
- Built a skin analyzer app (React & Python), an SMS campaign analyzer, and a social media management tool.

Hospitality & OTA Management

- Managed OTA/extranet integrations across 10 major platforms — Booking.com, Expedia, Agoda, Airbnb & more — for 4 hospitality properties.

EMPLOYMENT HISTORY

Assistant IT Administrator

Jul 2024 — Present

Biseka · Love&Lab · Scrub&Butter · ExtractExact · OLA Tangalle · Mob Surfskate

- Manage IT systems, dashboards, and automation tools across all brands.
